The following is a partial transcript of the discussion that took place this date of Thursday, October 1, 2020, during the Jefferson County Airport Zoning Board Meeting:

MR. DAVID C. MAPLE, JR. - At this time, since this is a public meeting I'll recognize anyone wanting to speak in favor of the final report. Hearing and seeing no one, I'll ask if there is anyone here that would like to speak against hte Final Report, or any other comments from anyone from the public.

Gentlemen, hearing no comments I'll ask for a motion to approve the final report and implement the zoning.

MR. THOMAS G. GENTILE - I'll make that motion.

DR. THOMAS E. GRAHAM - And I'll second the motion with the statement that this is a very detailed, well done report. I don't know if I've seen one before like this. It is nicely done, a lot of work went into it.

MR. MAPLE - And my comments before roll call, this is something that came to our attention as a Board late last year as a Board of Commissioners. In January 2020 we sought counsel from the Prosecutor's Office on how to move forward. And the Board of Commissioners through us as the Airport Zoning Board went through all of the proper steps and with the final work product here on October 1st, 2020.

There being no further discussion Mr. Gentile moved the Jefferson County Airport Zoning Board Meeting be adjourned at 10:45 A.M. Dr. Graham seconded. Roll call - Mr. Gentile, Yes; Dr. Graham, Yes; Mr. Maple, Yes.
